Special events and notices

Today – during the opening song,, 2 photographs will be taken of the congregation for use on the Corps web site.

Audio visual enhancements: we are pleased to inform you that all of the new equipment has been delivered and installed. This includes: additional speakers in the rear part of the hall, microphones for Singing Company and Songsters, microphone for the piano, cameras and control desk.

It is our intention for the camera operators to familiarize themselves with the equipment and their operation over a couple of weeks. We will then introduce their use during our worship in a graduated way once the operators feel they are fully competent.

Building work: as you will have seen this morning, building work has commenced on the extension. This is a 15 week build with completion during mid October. Once completed, work will commence inside in dividing the area into appropriate storage units and shelving.

Army CD's – if you have any Army CD's (originals) that you no longer require then please see Major David Groves. The CDs will be used as part of his prison services ministry.

Safety and Security:

In the event of a fire, please remain calm and leave the building using the identified fire exits – you will be guided to the appropriate fire assembly point.
