Special events and notices

Audio visual enhancements: we are pleased to inform you that all of the new equipment has been delivered and installed. This includes: additional speakers in the rear part of the hall, microphones for Singing Company and Songsters, microphone for the piano, cameras and control desk.

It is our intention for the camera operators to familiarize themselves with the equipment and their operation over a couple of weeks. We will then introduce their use during our worship in a graduated way once the operators feel they are fully competent.

Building work: as you will have seen this morning, building work has commenced on the extension. This is a 15 week build with completion during mid October. Once completed, work will commence inside in dividing the area into appropriate storage units and shelving.

A note from Majors Marion & Noel

“Last Sunday was a very special day for us as we said farewell to you. We are indeed thankful to God for having been with you for the past three years and the day's meetings placed his seal of approval upon our time together. Thanks to all who were able to attend. We want to say thanks also for all of the gifts and cards we have received. Your generosity makes our leaving even more poignant. Hadleigh Temple will always have its special place in our hearts. God bless you all.”

Safety and Security:

In the event of a fire, please remain calm and leave the building using the identified fire exits – you will be guided to the appropriate fire assembly point.
